FOR IMMEDIATE RELEASE

Moove In Self Storage Promotes Social Distancing with Contactless Storage Rentals

York, PA - April 6, 2020

Locally operated Moove In Self Storage, reminds customers of their ability to rent a self storage unit without the need to interact with others in-person. Available at all Moove In Self Storage locations, customers can complete the entire rental process and gain access to their storage unit within a few short steps over the phone or online in minutes... which ensures the safety of everyone.

Under Moove In's contactless rental process, customers can bypass the rental counter and proceed directly to their storage unit on site with a gate access code for security. While customers won't need to interact in-person, all property managers are available by phone remotely during regular rental office hours to guide each of them through the rental process, answer any questions they may have, and ensure their storage experience is as seamless as possible.

Moove In offers several resources available to all customers through their website at <https://moovein.com> to help make every storage experience a great one. Additionally, customers can pay bills online 24/7 and over the phone from 6am-11pm. The full Moove In Self Storage Property Management team can also be reached by calling 866-645-1515.
